DEDICATION

We, the Annual Staff, are honored to dedicate Agape "77 to Jose Antonio Reyes, for his dedication to Montreat-Anderson College. Senor Reyes teaches Spanish and has received a B. A., M. A., and Ph. Senor Reyes was born on March 3, 1909, in Caibarien, Cuba. He attended Havana University, where he majored in Spanish and Spanish American Literature. He minored in History and Geography. He received 5 awards from Havana U. in Spanish Lit., Ancient History, General Psycologia, Sociology, and History of the Philology. He graduated with a Ph.D. in 1941. He has worked with the Munson Steamship Lines and on the Board of Education in his hometown. Also, as a teacher in Presbyterian Schools in Caibarien, Cardenas, and Encruijada. He received the 25 year service pin from the Board of National Mission of United Presbyterian Church of U.S. He worked from 1961 to 1966 in Miami, Fla. among Cuban refugees and since 1966 as a Spanish teacher at MAC. Unity is having sorrow and knowing that there are true friends standing and praying behind you.

Steve Clayton

Friends are for sharing.

features

I can't think of anyplace where the proof of God's existence is more evident than in the lives of the students and faculty here at Montreat. There is no need to play games with anyone here; you can be yourself. I love it!

G. Michael Davis

BROOKE PARRIOTT
HOMECOMING QUEEN

"I am from North Augusta, South Carolina and was chosen Maid of Honor last year.

I'm interested in becoming a christian counselor and feel a special need in being with people.

Since I've been in Montreat, I have grown to love being in the mountains. I've found a joy in square dancing and outdoor sports.

My long term accomplishment is hope that God can use me to further his Kingdom.

The thing that I'll remember the most about Montreat is the friendships and unity I've experienced. It is the warmest, most special kind of love I've ever known."

Brooke Parriott

DEBBIE SCHAFER
MAID-OF-HONOR

"Hi. I now reside in Fairfax, Virginia, and I was a cheerleader at Radford High School in Hawaii during my junior year.

Now, I plan to continue in a christian college and major in the field of Botany.

Since I've become a christian my goals have changed. I mean to serve God as much as I can.

I feel that Montreat is most unique in the christian fellowship experienced between student and teacher. In High School it was unheard of to hug your friends, but here it is a sign of love and caring for one another.

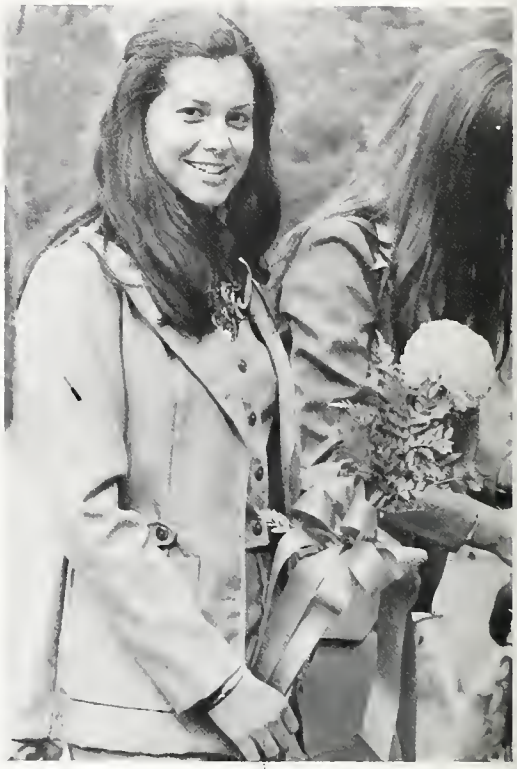

Debbie Schafer

HOMECOMING 1976

Homecoming '76 was a big success. The theme this year was "Stairway to Heaven." The Band playing was "Sweet Tooth" from Atlanta, Georgia. It was a night worth remembering for all who came.

The Homecoming Court and their escorts: Willis Dowling and Debbie Schafer, Brooke Parriott and Steve Wolfenden, Van Kornegay and Carol Rajib, Stan Gaines and Beth Cooke, Moi Monroe and Mary Sue Vanoverloop, and Tom Down and Diane Wadsworth.

THE FALL FESTIVAL OF FAITH

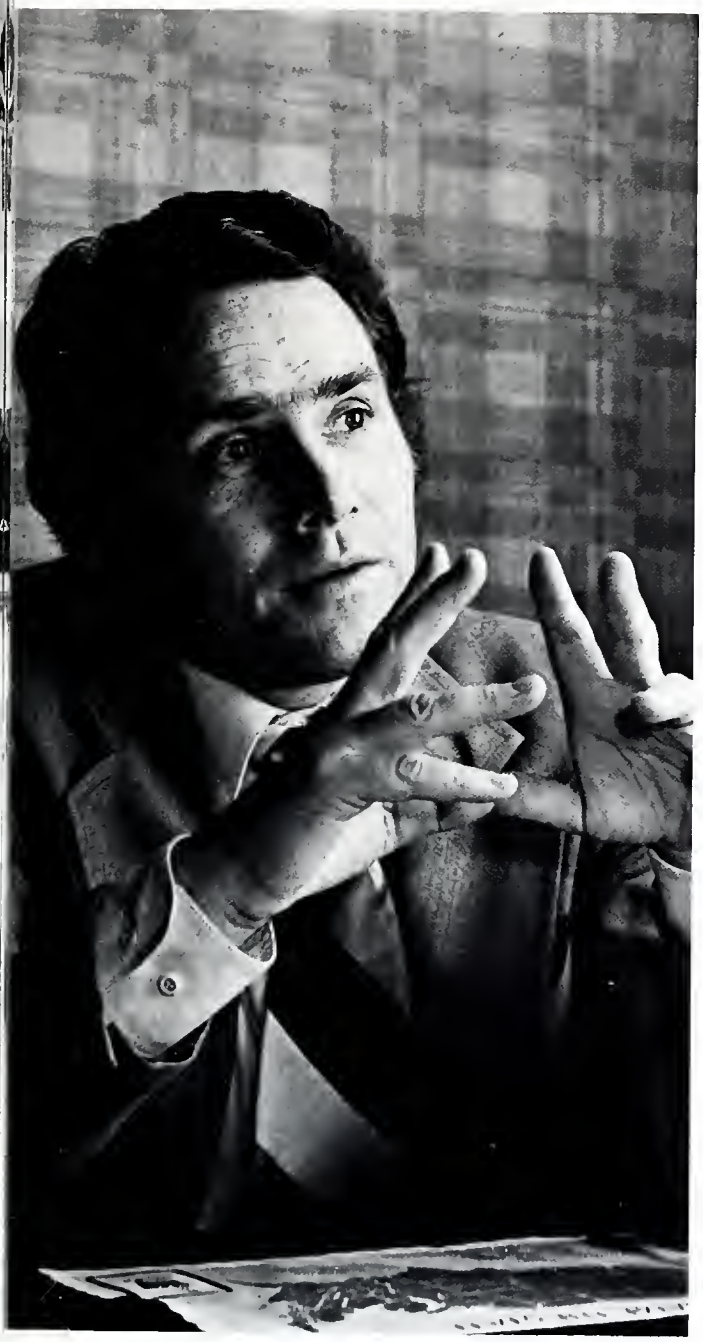

"But the Lord was with Joseph, and showed him mercy." Genesis 39:21 MAC was honored Oct. 3-8 to have Luis Palau as a guest speaker. Many hours of prayer went into the preparation for the Fall Festival of Faith. This shows what God can do when His people humble themselves and pray. He spoke on the life and character of Joseph. There were rap sessions and counseling which resulted in changed lives.

Judges

FIFTIES DANCE

"Follow the Lord's rules for doing His work, just as an athlete either follows the rules or is disqualified and wins no prize." 11 Timothy 2:5
I worked Hard, Lord, followed the rules, sweated buckets, ran with an aching hamstring, played with a sprained finger and
practiced, practiced, practiced!!
And still no prize--What did I do it for anyway?
Certainly there is no glory in defeat--or--
am I measuring success by win-loss records, gilded trophies, and the praises of men?
When your Son hung on the cross, it looked as if He had Lost. But He won a far greater prize--He gave us forgiveness and eternal life!
Maybe this year can be measured by intangible sucesses:
--the friendship of the others on the team
--feeling good about doing something right once in time
--representing a small college tucked back in the mountains where people really Love each other
--feeling the exhuberance of making my body work to its Limits and then going beyond them,
--and then -I got to know you better, Lord.
Now I understand Isaiah 40:31 Penny Nickel

SOCCER 1976

First Row: Bernie O'Shields, Moi Monroe, Capt., Terry Edwards, Jeff Baker, Steve Morgan. Second Row: Steve Wolfenden, Roger Cardinal, Carl Hanlon, John Mack, Peter Steidle, Chris Hamilton, John Bassett. Third Row: Coach Wilhelmi, Eddie Blanchard, Rex Hoffman, Jeff Poe, Dave Souleret, Greg Green, Stan Gaines, Tom Downs, Robert Hunt, and score keeper Barry Sullivan.

1976 Soccer Season by far wasn't the best season Montreat has had, but with the christian concern and leadership under Coach Wilhelmi we were all winners. We learned to be winners, despite the score of the game and that nothing is accomplished without the backing of the Lord.

Moi Monroe

Playing Soccer was great, the guys were determined, the coach was funny, and it took Christ to bring it all to life.

John Mack

Playing Soccer this year at Montreat was a spiritual as well as a growing experience. The friendships made during the season have really blessed my Freshman year at Montreat.

Rex Hoffman

The understanding of what team unity is, is the main thing I've gained. The knowledge of how to get along with others and to reach one goal.

BASEBALL

Our Baseball Team is considered one of the best in southern Junior Colleges. They have been to the finals more than any other college in our district.

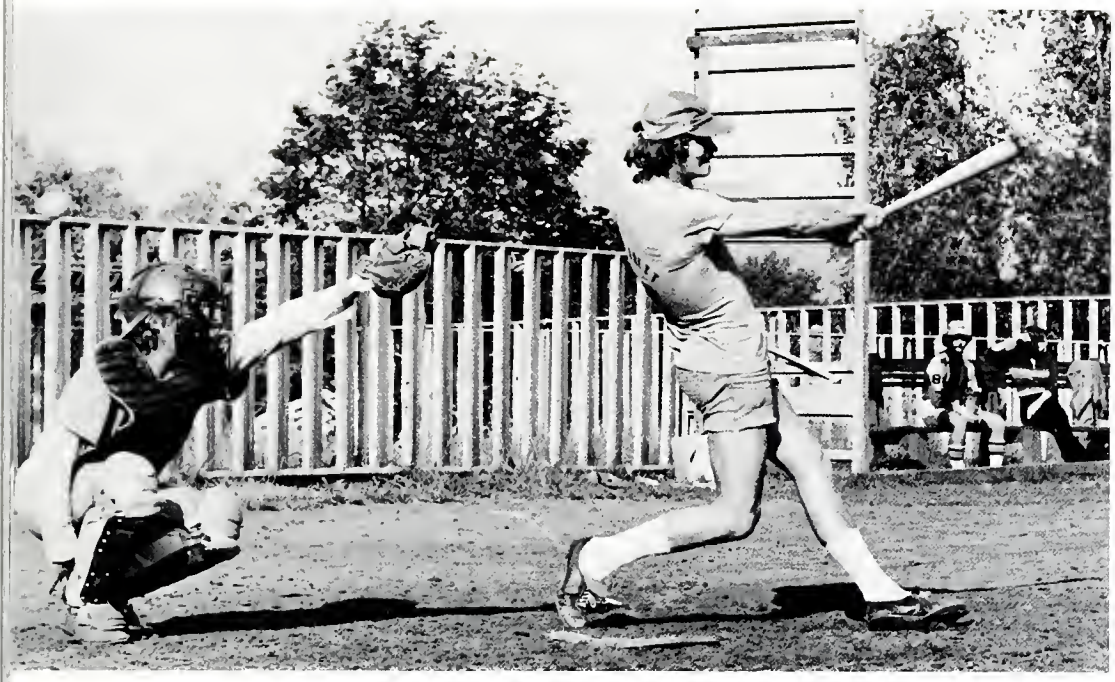

Baseball and the people at Montreat have really showed Me happiness and responsibility. Also being here has brought me closer to the Lord. It has helped me take a big step in my life, and I'm thankful for it.

Life at Montreat is unique because of the people. So often we seek to be less than what God would have us to be, because we are afraid we won't be accepted. That is not so at Montreat, we have found our freedom in Christ, we are discovering that our Lord has made us different to fulfill his purposes, and were not afraid any longer. We feel secure in his love. The one thing that makes Montreat so special is the love we have one for another through Jesus.

Don Holcombe

Friendship is knowing someone is always there, and it is something you cannot do without.

MAC expresses their thanks to Rex. Dr. John N. Akers

Dean Akers has endeared himself to the faculty and student body by his energetic christian living among us all. His positive attitude of his faith has been an inspiriation on our campus for the last four years. We are happy that he will not be leaving our community and that he will still be on campus as a part-time teacher in the Bible department.

Dean Akers has resigned to join the Montreat Staff of the Billy Graham Evangelistic Association.

Dean Akers joined the faculty of MAC as a Professor of Bible in 1972. He is a native of Colorado Springs, Colo. He graduated from the University of Colorado with a B. A. in History. Columbia Theological Seminary awarded him a B. D. in 1965 with honors in New Testament studies. Dean Akers received his Ph. D. from the University of Edinburgh in Scotland.

Special recognition has been accorded Dean Akers from the Southeastern Section of Evangelical Theological Society which elected him President in 1976 and from the editors of the 1976 edition of "Outstanding Young Men in America" in which he will appear.

In 1974 he also participated on World Evangelization in Lausanne, Switzerland.

Once again, Thank you Dean Akers.

Friendship and unity at MAC properly is a product of knowing Jesus Christ. He is the supreme friend of all who know His Love and Love him. He says, "If you Love me, you'll Love one another." Donald Munson

Friendship is one of those intangible side benefits of being associated with MAC. To have a friend is to be a friend. I see this in action continually and this friendship unifies. Hicks Anderson

Friendship is . . . "Someone that sticks closer than a brother." (Prov. 18:24) Pete Schula

Friendship is sharing with others that are so close. Al Norwood

Each day is more full of smiles, hopes, and anticipation than the day before at MAC. It's beautiful. Judy Anderson

It is hard to comprehend even at a school this small such a menagerie of people might live together in the bonds of peace and brotherhood. It is only in the pretext of the Love of Christ and the unity of His body that all differences and be overlooked.
Mark Robinson

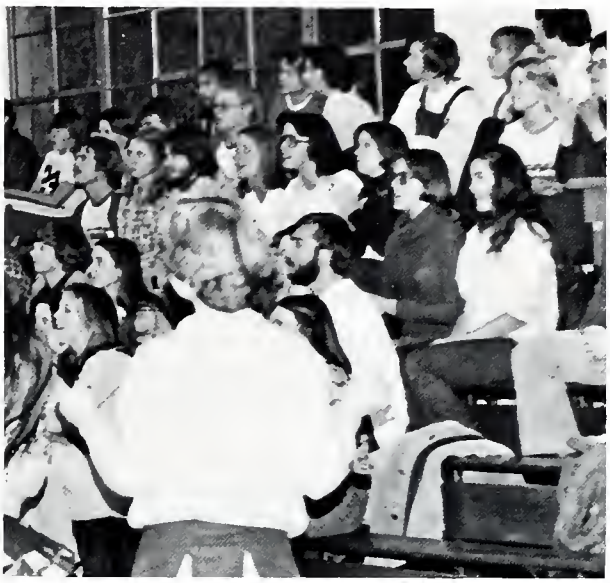

You can feel at home with the people at MAC even if you do not know all of them personally and that gives you a good feeling inside. Beth Chiddie

to that is the next

As we look at the friends we make at Montreat we see a bond that will be strong in our lives forever. We see our friends as people who care about us and will listen to the things we say. As we notice this concern of friends we will forever be grateful for our years at Montreat.

MONTREAT
CITY LIMIT

Arriving at Montreat-Anderson in January of this year it became apparent almost immediately that I had come to a very special place. The sense of community and of personal christian committment which was communicated to me consistently in those first few days and every day since is rare and very valuable. The geniune joy and warmth in; the greetings of students to me and to one another was a delight to watch. Love and unity are the greatest qualities in Montreat.
